WHY YOU WOULD LIKE TO VOLUNTEER FOR THIS POSITION?

I would like to continue to serve the Ridgeview Ranch Community as a board director. I feel that I still have work to do in order to help the community leaders who follow have a much easier time adjusting to their role. I would also like to complete my work developing a more comprehensive volunteer recognition program to help us recruit, retain and reward those who work so hard for our community.

WHAT ARE YOUR STRENGTHS AND/OR QUALIFICATIONS?

I have been an active volunteer in Ridgeview Ranch since we purchased our home in March of 2003. As a Ridgeview Ranch volunteer, I have organized playgroups, coordinated events, organized petitions, attended city council meetings, and served on the board and board advisory committee. I am a lifetime resident of the North Dallas area with a BBA in Marketing from UNT. Prior to my decision to leave my career to focus on family, I was a Marketing Communications executive in the telecommunications industry. My 12 years of work experience included all aspects of marketing, communications, advertising and promotions across a variety of industries. I also produced community events for the City of Richardson including the Wildflower Arts & Music Festival, Family Fourth of July, and Great Fountain Plaza Festival for five years where I was asked to manage all aspects of the events and to present information to a wide range of audiences from corporate executives to city council and staff. I look forward to the possibility of continuing my service to the Ridgeview Ranch community.
